Plaintiff,

v.

NORTH AMERICAN HERB AND SPICE
CO., LLC, a limited liability company,

and

JUDY KAY GRAY, individually and as the
owner and manager of North American Herb
and Spice Co., LLC,

Defendants.

COMPLAINT FOR PERMANENT INJUNCTION AND OTHER EQUITABLE RELIEF

Plaintiff, the Federal Trade Commission ("FTC"), through its undersigned attorneys,
alleges as follows:

1. Plaintiff FTC brings this action under Section 13(b) of the Federal Trade Commission Act ("FTC Act"), 15 U.S.C. § 53(b), to secure a permanent injunction, rescission or reformation of contracts, restitution, the refund of monies paid, disgorgement of ill-gotten monies, and other equitable relief against the Defendants for engaging in deceptive acts or practices in connection with the advertising, marketing, and sale of the dietary supplements Oreganol P73, Super Strength Oreganol P73, and OregaRESP, each of which purports to treat, cure, or prevent numerous health conditions, including colds and flu, in violation of Sections 5(a) and 12 of the FTC Act, 15 U.S.C. §§ 45(a) and 52.

JURISDICTION AND VENUE

2. This Court has jurisdiction over this matter pursuant to 15 U.S.C. §§ 45(a), 52, and 53(b), and 28 U.S.C. §§ 1331, 1337(a), and 1345.

3. Venue in this District is proper under 15 U.S.C. § 53(b) and 28 U.S.C. §§ 1391(b) and (c).

THE PARTIES

4. Plaintiff, the Federal Trade Commission, is an independent agency of the United States Government created by statute. *See* 15 U.S.C. §§ 41-58. The FTC enforces Section 5(a) of the FTC Act, 15 U.S.C. § 45(a), which prohibits unfair or deceptive acts or practices in or affecting commerce. The FTC also enforces Section 12 of the FTC Act, 15 U.S.C. § 52, which prohibits false advertisements for foods, drugs, devices, services, or cosmetics in or affecting commerce. The FTC, through its own attorneys, may initiate federal district court proceedings to enjoin violations of the FTC Act and to secure such other equitable relief, including rescission or reformation of contracts, restitution, the refund of monies paid, and disgorgement of ill-gotten monies, as may be appropriate in each case. 15 U.S.C. § 53(b).

5. Defendant North American Herb and Spice Co., LLC (“NAHS”) is a Nevada limited liability company located at 1455 Lakeside Drive, Waukegan, IL 60085. At all times relevant to this Complaint, acting alone or in concert with others, NAHS has manufactured, marketed, distributed, and sold Oreganol P73, Super Strength Oreganol P73, and OregaRESP to consumers throughout the United States. NAHS transacts or has transacted business in the Northern District of Illinois.

6. Defendant Judy Kay Gray is the owner and manager of NAHS. She resides in the Northern District of Illinois and transacts or has transacted business there. She resides at 212 Willow Parkway, Buffalo Grove, IL 60089. Her business address is the same as that of NAHS. At all times relevant to this Complaint, acting alone or in concert with others, Gray has participated in, or had authority to control, the policies, acts, or practices of NAHS, including the various acts and practices set forth herein.

COMMERCE

7. The acts and practices of the Defendants, as alleged herein, have been in or affecting commerce, as “commerce” is defined in Section 4 of the FTC Act, 15 U.S.C. § 44.

DEFENDANTS' COURSE OF BUSINESS

8. Since January 2003 and continuing thereafter, Defendants have advertised, promoted, offered for sale, sold, and distributed the supplements Oreganol P73, Super Strength Oreganol P73, and Oregacyn (currently sold as OregaRESP) to the public, using advertisements on the Internet and in magazines such as Alternative Medicine Magazine, H2O Magazine, Health Supplement Retailer, and Women's Health and Fitness.

9. Defendants offer a line of products purported to contain P73, which is described as wild, handpicked Mediterranean oregano. Oreganol P73 is a supplement containing oregano oil P73 and extra virgin olive oil, and is offered for sale in liquid or gelcap form, for retail prices ranging from \$29.99 (for a 0.45 oz. dropper bottle of liquid or a bottle of 60 gelcaps) to \$59.99 (for a 1 oz. dropper bottle of liquid). Super Strength Oreganol P73 is a supplement containing oregano oil P73 and extra virgin olive oil that is purported to be three times more powerful than Oreganol P73. It is also sold in liquid and gelcap form for retail prices ranging from \$39.99 to \$69.99. OregaRESP is a supplement containing oregano P73, cumin, sage, and cinnamon. It is offered for sale in capsule, gelcap, and liquid form for retail prices ranging from \$29.99 to \$69.99. OregaRESP was formerly sold under the name Oregacyn.

10. To induce consumers to purchase Oreganol P73, Super Strength Oreganol P73, and OregaRESP, Defendants have disseminated or caused to be disseminated, among other things, promotional materials on Web sites, including www.p-73.com, and numerous print ads. These promotional materials include, but are not limited to, the attached Exhibits A through D and contain, among other things, the following statements or depictions:

DEFENDANTS' VIOLATIONS OF THE FTC ACT

11. Section 5(a) of the FTC Act, 15 U.S.C. § 45(a), prohibits unfair or deceptive acts or practices in or affecting commerce. Section 12(a) of the FTC Act, 15 U.S.C. § 52(a), prohibits the dissemination of any false advertisement in or affecting commerce for the purpose of inducing, or which is likely to induce, the purchase of food, drugs, devices, services, or cosmetics. For the purposes of Section 12 of the FTC Act, 15 U.S.C. § 52, Oreganol P73, Super Strength Oreganol P73, and Oregacyn are “foods” or “drugs” pursuant to Sections 15(b) and (c) of the FTC Act, 15 U.S.C. §§ 55(b) and (c). As set forth below, Defendants have engaged and are continuing to engage in such unlawful practices in connection with the marketing and sale of Oreganol P73, Super Strength Oreganol P73, and Oregacyn.

COUNT ONE

False Claims for Cold and Flu Prevention and Treatment

12. Through the means described above in Paragraph 10, including but not limited to the statements and depictions contained in the advertisements attached as Exhibits A through D, Defendants have represented, expressly or by implication, that:

- a. Oreganol P73, Super Strength Oreganol P73, and Oregacyn are scientifically proven to prevent cold and flu infection; and
- b. Oreganol P73, Super Strength Oreganol P73, and Oregacyn are scientifically proven to be effective in the treatment of cold and flu symptoms.

13. The representations set forth in Paragraph 12 are false. Therefore, the making of the representations in Paragraph 12 constitutes a deceptive practice, and the making of false advertisements, in or affecting commerce, in violation of Sections 5(a) and 12 of the FTC Act, 15 U.S.C. §§ 45(a) and 52.

COUNT TWO

Unsubstantiated Health and Disease Claims

14. Through the means described above in Paragraph 10, including but not limited to the statements and depictions contained in the advertisements attached as Exhibits A through D, Defendants have represented, expressly or by implication, that:

- a. Oreganol P73, Super Strength Oreganol P73, and Oregacyn enhance or improve immune system function; and
- b. Oreganol P73, Super Strength Oreganol P73, and Oregacyn kill a wide variety of germs and pathogens in humans, including cold and flu viruses, avian bird flu virus, hepatitis C, Staphylococcus aureus, Helicobacter pylori, mold, parasites, and yeasts.

15. Defendants did not possess and rely upon a reasonable basis that substantiated the representations made in Paragraph 14 at the time the representations were made. Therefore, the making of the representations set forth in Paragraph 14 constitutes a deceptive practice, and the making of false advertisements, in or affecting commerce, in violation of Sections 5(a) and 12 of the FTC Act, 15 U.S.C. §§ 45(a) and 52.

CONSUMER INJURY

16. Consumers throughout the United States have suffered and continue to suffer substantial monetary loss as a result of Defendants' unlawful acts and practices. In addition, Defendants have been unjustly enriched as a result of their unlawful practices. Absent relief by this Court, Defendants are likely to continue to injure consumers, reap unjust enrichment, and harm the public interest.

THIS COURT'S POWER TO GRANT RELIEF

17. Section 13(b) of the FTC Act, 15 U.S.C. § 53(b), empowers this Court to grant injunctive and such other relief as the Court may deem appropriate to halt and redress violations of the FTC Act. The Court, in the exercise of its equitable jurisdiction, may award other ancillary relief, including, but not limited to, rescission or reformation of contracts, restitution, the refund of monies paid, and the disgorgement of ill-gotten monies caused by Defendants' law violations.

PRAYER FOR RELIEF

WHEREFORE, Plaintiff FTC, pursuant to Section 13(b) of the FTC Act, 15 U.S.C. § 53(b), and the Court's own equitable powers, requests that this Court:

1. Enter a permanent injunction to prevent future violation of the FTC Act by Defendants;
2. Award such equitable relief as the Court finds necessary to redress injury to consumers resulting from Defendants' violations of Sections 5(a) and 12 of the FTC Act, including, but not limited to, rescission or reformation of contracts, restitution, the refund of monies paid, and the disgorgement of ill-gotten monies; and
3. Award Plaintiff the costs of bringing this action, and such other equitable relief as the Court may determine to be just and proper.
